Happy Ox Year

By Ms. Lin/ Zao Ma

Happy New Year, wonderful New Year, good luck in the New Year of the Ox.

Clean up, pass on the things you don't need. Leave the old days at the end of the year.

Prepare red papers and write calligraphy together. Spring couplets are posted early.

Make rice cakes, steam a whole fish, and have a full New Year's Eve dinner.

Make a pot of tea, eat late night snack, stay up late and your parents will never grow old.

Visit family, receive red envelopes, lucky bags and gift packages I want them all.

Wear new clothes, and new hats, masks are also important.

The cold winter is leaving, the warm spring is coming, and firecrackers are set off on the first day of the New Year.

New Year, new feelings, say congratulations to the good news.

The pandemic slows down, the body is healthy and strong, and there is no worries in the Year of the Ox! No worries!
