

Dear teachers,

Due to the job actions being undertaken by CUPE, our school permit at Pierre Elliott Trudeau High School is **cancelled on Saturday October 5, 2019**. There will be no school this coming Saturday.

We will provide you with updates as we receive additional information.

In the meantime, please see the below list for your action:

- (1) please notify your class parents about the class cancellation. * Please make sure they receive your call & email.
- (2) We will try to provide a make-up class at a later date based on the Permit Agreement and the school availability.
- (3) There will be no work pay for this class on October 5th as the cancellation is made by YRDSB.

PS: please also be aware that there will be NO SCHOOL on October 12 for the Thanksgiving long weekend.

Thank you for your understanding and cooperation.

Sincerely,

Administrative Officer
