Dear Parents/Guardians:

For the last several years, we have received overwhelmingly positive feedback from our students and parents/guardians regarding our school's online blog. For our blog, we will need your consent to include your child's photos and schoolwork. Please check the applicable boxes in the tear-off section below, sign and return this form to the class teacher by next Friday/Saturday.

Thank you for your cooperation!

各位家長/監護人：
